## Dedication

With gratitude and sincere appreciation, we dedicate the 1960 LEGEND to Mr. Layton Vogel. He received his B. A. from Houghton College in 1936 and then attended the University of Michigan. His first teaching position was at Breeseport before coming to Castile High School. He became principal of Castile High School in 1944 after spending the preceding year as principal of Breeseport. In 1954, Mr. Vogel became assistant principal of Letchworth Central when we moved into the present building. We will long remember him for his dynamic leadership and warm interest in us.

The Future Farmers of America, a national organization, was organized at Letchworth fourteen years ago. Only agricultural students are eligible for membership. The primary aim of the chapter is the development of agricultural leadership, cooperation, and citizenship. The activities for the year included educational judging contests at county, state, and national levels; and leadership activities through chapter meetings, forums, and speaking contests. An outstanding achievement of the year was the awarding of the Star Farmer of New York State to a 1959 graduate of Letchworth.

## F. H. A.

Our chapter of the Future Homemakers of America is in its seventh year. This organization is composed of seventy girls enrolled in high school homemaking classes. The chapter has nine officers with Mrs. Yauchzy as its advisor. This year the girls held a Faculty Tea to acquaint new teachers with their chapter and made sunshine boxes for elderly people in the community. Their biggest events were the ceremonies of Initiation of new members and Installation of officers and the trips by representatives to State Convention in Syracuse and National Convention in Chicago.

The Letchworth Central music department has five bands under the direction of Mr. Strivings.

The Senior Band has eighty-seven members. The band played at both school assemblies and public concerts. Its last appearance will be at Commencement Exercises in June.

A Select Band was organized mainly to give the exceptional and hard working students an opportunity to work on more difficult music.

A Dance Band had prestige as an excellent musical organization. It has played at a dinner, during intermission of the Senior Play, and at the Green Door.

The third newly organized group is the Boys' Band, which consists of thirty-five members. This band has performed at school assemblies.

The Senior Orchestra has appeared this year in several assemblies including the Christmas Assembly and the County Festival Concert in the Round. They also presented their annual Spring Concert.

Among the compositions studied this year were classical works by Corelli, Bizet and Gluck, as well as lighter music by Anderson, Rodgers and Romberg.

Several orchestra members took part in the NYSSMA Fall Sectional and the WCSMA Spring Festival.

The Junior Orchestra is a performing group as well as a training class for the Senior Orchestra. Its members are largely from the seventh and eighth grades. This year they took part in a Junior High Concert.

## Football

The Varsity Football team had one of its best seasons. They won four games and lost three. The Varsity finally beat Attica for the first time in eight years with a score of twelve to nothing.

The squad came in fourth in a six team league. They will lose seven players by graduation this year but the Junior Varsity squad shows promise for next year's Varsity team. The Junior Varsity won two, lost two and tied one game.

Though we were young when we entered this school, we have found many precious things; friendship, knowledge, and happiness. We worked, learned, loved, and lived. We've been challenged throughout our days in school and shall continue to be challenged as we pass through these doors to begin the new life that lies beyond. We shall remember the understanding and guidance given to us by our teachers. Though we must leave, our memories of Letchworth will linger forever.
